BRITISH AUTHORIZE USE OF TORCH IN ERIN

Policy Is To Burn Houses Near Scenes of Ambush

FIRST STEP TAKEN

Persons Knowing Others to Possess Guns or Ammunition Must Report Facts or Render Themselves Liable

Dublin, Jan. 3.—A general headquarters report yesterday, the first of its kind ever issued, explains that the burnings at Midleton and near Glebehouse were the result of an ambush on a police patrol in Midleton by armed civilians last Wednesday night, when one policeman was killed and eight others wounded, two of whom have since died.

The report points to the formal adoption of punishment by burning in cases where householders are believed to have knowledge of attacks on police or soldiers.

A constable and a civilian were killed and at least five other persons were wounded in a disturbance last night at Ballybay County Monaghan. The fighting commenced when a police patrol of four men was fired on, two of them being wounded.

Three men coming to their assistance also were fired on, resulting in the death of Constable Malone and the wounding of another policeman. In a continuation of the fight one civilian was killed and several wounded.

Elaborate preparations had been made for an attack on the police barracks, trenches having been cut in surrounding roads, trees felled and stone barriers erected. Soldiers were sent from Dundalk as a relief party, but were held up by blocked roads and obliged to walk a part of the journey, delaying their arrival until this morning.

At Listowel County Kerry in the martial law area, crown forces were fired on by civilians, while arresting men wanted. They returned the fire, killing one and wounding two who were catured and sent to a hospital. Five arrests were made.

Cork, Jan. 3.—Seven houses in nearby towns and their contents were burned by the military last night as a result of an ambush of the police near Middleton, it was announced here today.

The story of the incident was related in a statement issued yesterday morning by the military authorities in Cork.

"As a result of an ambush on the police at Midleton and near Glebehouse," it stated, "the military governor decided that certain houses in the vicinity of the outrage should be destroyed as the inhabitants were bound to have known of the ambush.

"Houses of the following were destroyed between the hours of 3 and 6 p. m., January 1: John O'Shea, Paul McCarthy and Edward Casey, Midleton; Samuel Cotter and a Mr. Donovan Ballydam, and Michael Dorgan and a Mr. Ahern, Knockgrif-

A notice was handed to each of above persons stating why the ses were destroyed. Each resident was given an hour to remove valuables but not furniture, and the houses were destroyed. Nothing apart from the houses and the furniture was destroyed."

Any person knowing others to possess arms or ammunition must report the fact immediately or render themselves liable to prosecution. Major-General Sir Edward Strickland, commanding the troops in Munster, announced yesterday in a notice issued here. It is also forbidden to assist rebels in any way, by providing them with food, clothing, vehicles or shelter. The order is effective Thursday.

The people are warned that they must not fail to report the rebels and their movements without the slightest delay. Apearance before a military court is alternative, the notice states. It declares that persons who do not do their utmost to prevent damage to Government property will be dealt with severely in person and in estate.

Sending of code telegrams without permission of the police inspector is banned and the use of wireless or carrier pigeons is prohibited. All meetings and assemblies are forbidden, six adults being considered a meeting.

The notice issued yesterday is in addition to a proclamation recently announced requiring that the occupants of houses affix a list of residents on the inner side of the door and holding them responsible for the conduct of such listed persons.

Nagpur, India, Jan. 3.—A boycott on the proposed visit of the Duke of Connaught to the East and a tribute to the memory of the late Lord Mayor MacSwiney of Cork, were voted in resolutions adopted by the Indian National Congress in session here. A message of sympathy to the Irish in their struggle for independence also was drafted and dispatched.

A royal proclamation to India, issued in London last August, said the Prince of Wales would not visit India this winter to inaugurate reform legislation, but that the Duke of Connaught, former Governor-General of Canada, would undertake these duties. Dispatches which appeared previously in the London newspapers forecast that the Prince would not make the trip.

Boy, in Pitiable Plight, Rescued Praying in Hills

Oakland, Md., Jan. 3.—Ernest Guegy, aged about 20 years, was found in the mountains in a pitiable condition, following a note written to the Rev. H. F. Bink, pastor of the Lutheran Church, Westernport, stating that he was going up into the mountains to pray.

The young man had attended services there and later in the day Rev. Mr. Bink received the note. After a day or two interested parties set out in search for him and he was located near Grantsville in a distressed state.

Young Guegy is regarded as above the average in intelligence and had thought of entering a ministerial career. He was a great student of the Bible and was looked upon in his community as a leader among the younger classes in church work.

Tie Up On W. V. Line

Hundreds of Alexandrians Delayed Two Hours Saturday Night as Result of Accident

Cars on the Washington-Virginia Railway Company's line were tied up for two hours Saturday night and hundreds of Alexandrians who had planned trips to theatres and New Year's celebrations were doomed to disappointment. Equally as many Alexandrians on the other side eager to get to their home also experience the same difficulty.

The motor bus line operating between the two cities carried capacity crowds and many went to the union station and boarded steam trains for Washington. A number of persons also hired private automobiles. A majority, however, who intended spending the evening in Washington after waiting nearly two hours abandoned the trip. The 6.40 o'clock train out of Alexandria got as far as Lloyd and remained there till after 9 o'clock arriving in Washington about 9.30 o'clock and a southbound train was caught just north of the highway bridge. About 9.00 o'clock traffic was resumed. Officials of the road said that the tie up was due to the breaking of an electric cable of the underground trolley at Fourteenth and C streets, northwest, Washington, leaving the line without power.

Officials of the railway company explained that the break in the cable reacted to cause a "flareback" in current at the Benning Power plant which supplies power to the system causing a temporary shut-down at the plant. Workmen repaired the damaged cable in record time, it was stated.

Prize For Tag

Lt. Herbert Taylor of This City Secures Award

Lt. Herbert Taylor, of Alexandria chief of the naval identification service, has been awarded a money prize of $750 by the Navy Department for his suggestion of a service identification tag, which is said to be superior to anything of the kind now in use. It consists of a finger-print impression etched on a monel metal tag with the name of the wearer, the date of his birth, date of enlistment and his service number. Monel metal was selected in preference to aluminum or other material because it has been proved to be indestructible under all normal conditions of earth, fire and water.

During the late war aluminum tags were found to be valueless in the cases of soldiers who had been buried any length of time, due to the action of the acids of the soil and the bodie The monel metal tags have been adopted by the Navy, and similar action is expected in the Army and Marine Corps, where the aluminum identification tag are in use.

CITY TAX COLLE... P. F. GORMAN DIES

Popular City Official Victim of Pneumonia After Short Illness

IN OFFICE 33 YEARS

Brave Confederate Soldier and Efficient City Official—General Expressions of Regret on His Death

City Tax Collector Patrick F. Gorman, seventy-eight years old, died at 3.50 o'clock this morning at his residence 224 South Lee street of pneumonia. The deceased was taken ill December 23 and since that time his condition steadily grew worse.

Mr. Gorman served as tax collector of the city for the past thirty-three consecutive years, from July 1, 1887. As tax collector he succeeded the late John T. Hill. On numerous occasions the deceased had opposition but he always was elected by a large majority each time.

Mr. Gorman was one of the most faithful and efficient officials Alexandria has ever had and numerous expressions of regret today were heard throughout the city when his death was announced.

The deceased was born in Ireland, February 14, 1842, and came to America when but about five years old. In early manhood he opened a boiler shop and for many years operated a factory on the river front under the name of Gorman and Pettit.

At the outbreak of hostilities between the states he joined the forces of the Confederacy and served throughout the conflict, being a member of the Alexandria Artillery, known as Kemper's battery. Mr. Gorman was a brave confederate soldier and won his laurels during the four years of the conflict. At the close of the war he returned to Alexandria and resumed his business.

Announcement of his death was the cause of expressions of sympathy from every city official, he having won the admiration of all by his general straightforward dealings throughout his long and honored career.

The deceased in addition to being tax collector was also identified with a number of business interests in the city, for many years being an official of the German Co-operative building association. He also was an active member of R. E. Lee Camp, Confederate Veterans, being a past commander of that camp. Deceased was a member of Fitzgerald Council, No. 459, Knights of Columbus, and a meeting of that organization will be held at 8 o'clock tonight to take action on his death.

Mayor J. M. Duncan today appointed P. F. Gorman, Jr., son of the deceased, to fill the vacancy caused by his father's death. For several years past he has been acting as deputy tax collector.

He is survived by the following children: Dr. Edward A. Gorman, Miss Mary J. Gorman, Mrs. J. Reece Catoni, Eugene K. Gorman, Frank J. Gorman, James H. Gorman and Patrick F. Gorman, Jr.

De Valera's Recall Due To Split in Sinn Fein

New York, Jan. 3.—Eamonn de Valera has been recalled to Ireland to stiffen popular opinion there against any settlement at variance with the constitution of the Irish republic. Every member of Dail Eireann in this country has been recalled for the same reason.

The supreme test of this idealistic republic is at hand, and, in the event of Sinn Fein or the unrecognized government of Ireland accepting any sort of compromise essentially against the constitution they pledged themselves to support the secret organization known as the Clan-Na-Gael is ready to take the authority out of the hands of De Valera and his followers and wage a new war for complete secession.

PATRICK F. GORMAN

In the death of City Tax Collector Patrick F. Gorman this morning, Alexandria loses one of her best citizens and the city loses a faithful and efficient official. The announcement of his death was received with profound regret by his many friends throughout the city. Perhaps there never was a city official more honored and loved than P. F. Gorman. Throughout the war he served in the Alexandria Artillery and was a valiant soldier of the confederacy.

For over thirty years he had been tax collector for the city of Alexandria and as such he made hundreds of friends.

Throughout his career he often had opposition but he always came out victorious. The deceased was a rare christian gentleman of the type that is only too rapidly becoming extinct. There was no man more ready to meet death than Patrick F. Gorman whose entire life was characterized by acts of charity and kindness to his fellow man.

Death Rather Than Marriage; He Inhaled Gas

London Jan. 3.—Arthur Robert Edmunds, an ex-officer in the Canadian artillery preferred death to matrimony. Engaged to Miss Florence Barnes of Scarborough, he twice postponed the wedding. Boy's Phonograph And Wireless Make an Invisible Choir

Champaign, Ill., Jan. 3.—The mystery of an invisible choir which has stirred the congregation of a Paxton, Ill., Lutheran church was solved yesterday when it became known that Clarence Lundeen, a 16 year-old student has been experimenting with a wireless telephone.

Lundeen connected a phonograph with a wireless sending set in his workshop. Then he transmitted the music produced to a large horn connected with an amplifier which was concealed in a tree just outside the church.

The church was in direct line with the sound from the horn and for this reason the concert seemed directly above the congregation.

For several days the "phantom music" has been the talk of the town.

ASSEMBLY TO BE ASKED FOR PROBE OF GOTHAM

Albany, N. Y., Jan. 3.—Declaring the "decent element" of New York city and State demand an investigation of the greater city administration. Senator Theodore Douglas Robinson, of Herkimer, and Assemblyman Joseph Steinberg, of New York, both Republicans, announced last night they propose to ask the Legislature, when it convenes next Wednesday, to make such an inquiry.

In the statement prepared by the two members of the Legislature the charge was made that the city was "suffering from probably the worst and the most corrupt administration in its history."

Quits Force When Wife Gives Death Warning

Chicago, Jan. 3.—A woman's intuition caused the loss to the Chicago police department of its most successful go get-'em criminal hunter.

Theodore Bretecnitz, who in his 31 years of service in the police department has made a record in police annals for capturing gunmen and bandits, was called to the phone yesterday and his wife told him she "had a hunch he would be killed soon by a bandit if he stayed on the force."

The veteran policeman lost no time in handing in his resignation to Chief Fitzmorris.

DANIELS OPPOSED TO HALT IN NAVIES

"I am opposed to a special naval agreement for disarmament of any sort; but agreement or no agreement. The United States must have a navy equal to any in the world."

This statement was made by Secretary Daniels yesterday in discussing the Borah resolution authorizing the President to advise Great Britain and Japan that the United States is ready to take up the question of disarmament with them.

"No alliance or agreement can possibly be effective that does not include every nation in the world," continued Mr. Daniels. "Any other kind of an alliance would merely awaken the suspicion of every nation not included in it.

"It would not only destroy its usefulness, but would create dissentions and take us back to the very conditions that brought about the recent war."

British Embassy officials were much astonished to read a report in one New York paper this morning that Great Britain had informed United States Senators that she was willing to give up mastery of the seas and to reduce the number of her ships to equal those of the United States or not to build until this country caught up.

"This is the first time we have heard of any such proposition," said Leslie R. Craigie, secretary of the Embassy. "I do not care to comment further than to say that it is an extremely unlikely story."

$31,632 IN MONEY AND BONDS STOLEN IN MAILS

Cleveland, Jan. 3.—Thefts of $31,632 in currency and liberty bonds, addressed to the Federal Reserve Bank of Cleveland, from the mails by a former employe of the registry department of the local postoffice were revealed last night.

Postoffice inspectors are conducting a nation wide search for a man who gave the name of William Lacey, alleged to be responsible for the disappearance of four packages. A woman, said to be his wife and who is declared to have aided in the thefts, also is being sought. He and the woman fled last June.

Lacey has served time in three New York penitentiaries and in Chicago and has a criminal record in Michigan and Minnesota, according to postoffice authorities, and is wanted on a federal indictment in Toledo for selling narcotics.

GANGS WAGE FATAL WAR

One Dead, Three in Critical Condition Following New York Clashes

New York, Jan. 3.—Three men found unconscious at Java and Franklin streets, Greenpoint, early yesterday, one stabbed and two shot, and the murder of Henry Schnepp yesterday at Forty-seventh street and Fifth avenue, are believed by the police to be due to the gang wars that have been smouldering for several weeks. Joseph McCabe, 24 years old, of No. 853 First avenue, a member of a rival social club, was arrested late last night charged with the killing of Schnepp.

Policemen Hofstadt, of the Greenpoint avenue station, heard a volley of shots early yesterday, and running to Java and Franklin streets, found three men on the sidewalk and saw at least five others running away. He fired his revolver at the fugitives and then sent a hurry call for ambulances to Greenpoint and Williamsburg Hospitals.

The injured men are John O'Hagan 30 years old, of 59 Ainsley street; Frank McCabe 36 of 68 Franklin street, and William McCabe, 30 of 150 West street. All three are in a critical condition.

Detective O'Leary, after questioning the men in the hospitals, said they seemed unwilling to give any information to him.

CHORUS GIRLS WIN FIGHT AGAINST USING CIGARETTES

New York, Jan. 3.—In one fell swoop the "Jimmy" chorus has put to rout the old fallacy that brands show girls as a class of cigarette smokers. At the Apollo Theatre, a group of the girls rebelled last night against the smoking of cigarettes as imposed on them in the cabaret scene in "Jimmie," and a real strike was impending as Arthur Hammerstein flew back to the stage to learn what delayed the curtain.

When he found that the girls were in earnest the manager, seeing the justification of their objection to cigarettes, conceded a victory to the fair contenders, and the scene ensued minus the noxious cigarettes. That the cabaret atmosphere may not be lost entirely, the girls, beginning with tomorrow night's performance, will smoke harmless "cubebs" as substitutes.

BETHMANN-HOLLWEG DIES OF PNEUMONIA

Berlin, Jan. 3.—Dr. Thobald von Bethmann-Hollweg, former German Imperial Chancellor, died last night after a brief illness on his estate at Hohenfinow, near Berlin.

Dr. von Bethmann-Hollweg was apparently in good health until Wednesday. He spent Christmas as usual with his family, but contracted a cold which developed into acute pneumonia. His condition became steadily worse and his private physician was summoned from Berlin, but the former Chancellor had already become unconscious and never regained consciousness, dying late Saturday night.

His wife died in 1914 and he lost his eldest son in the war. He is survived by a daughter, Countess Zech, wife of the secretary of the Prussian Legation at Munich, and a son, Felix, a student at Berlin.

On the last of his frequent visits to Berlin, in mid-November, Dr. Von Bethmann-Hollweg was seen walking in Under-Den-Linden, but the once stalwart figure was no longer upright Few pedestrians recognized in the stooped form and careworn face the former Imperial Chancellor.

Von Bethmann-Hollweg recently concluded the revision of the final proofs of the second volume of his war diary, which is announced for early publication.

"We have been married nine years About two months ago I became convinced her affection was waning. A voice from the cosmic void advised m to go to Washington and talk with President Wilson. I did.

SPORTS

The Dreadnaughts will open the 1921 season with a basketball game tomorrow night in the armory, playing the Capitol Silents of Washington, D. C., a team made up of former Gallaudet College stars, this team always give their opponents a battle, although being totally without hearing and speech they play a different brand of basketball.

The Dreadnaught team will show Alexandria the best basketball team they have had in many years, one that will keep them in line for the championship games in February. Such stars as Hayden, Alexander, Dreifus, Beeton, Crouch, Roberts, Hasson and new additions of Dick Gurley of Carolina State and Heddens the Waynesboro, Penn Star who has surprised the Washington basketball teams with his wonderful playing.

We need your support and can play better games with good crowds, for the public benefit the admission has been lowered to twenty-five cents (25c) in hopes that the attendance will pick up.

Saturday night the Indian Head team will come here to engage the Big D, a game will also be played Thursday night the team will be announced on the Armory floor tomorrow night.

At the annual meeting of the Cardinal Athletic Club, held New Year's night, the following-named officers were elected to serve during the year 1921:

Sylvester A. Breen, president; William (Tady, sr.) Shafer, vice president; Harvey C. Crump, manager; M. A. Howard, assistant manager; 'Beau' Hodges, captain, and Joseph E. Owens, secretary and treasurer.

The Cardinal Athletic Club was organized between the year 1903 and 1906 and during the many years of the club's existence it has furnished a high grade of amusement to thousands of Alexandria baseball, basketball and football fans. Some of the most brilliant athletic stars of Alexandria owe their fame and popularity to the Cardinals, where they have played at different periods upon its teams.

It has always been the purpose of the officials of the Cardinals to select the best team obtainable to entertain the followers of athletic sports in this city. It is true that the Cardinals have been defeated many times by teams, nevertheless they have been ever ready to play their conquerors in return games, and usually reversed the score in the home teams favor. For instance, when the Cardinal football team played the great Vigilants eleven in Washington and Captain "Dick" Snowden (R. I. P.) and his wonderful tribe of football stars rushed down the field breaking through the Vigilant's line and knocking their rivals to "smithereens" for a touchdown after a few minutes of play, and later in the game scoring a second touchdown, the score standing 13 in the Cardinals favor. The Vigilants had a touchdown to their credit when the playing time for ending the game should have been called and the score being Cardinals 13, Vigilants 7. It is claimed and acknowledged too, that the timekeepers allowed the game to go "eight" minutes overtime. During that period of eight minutes, by a streak of luck, and the retirement from the game of Big Jim Douglass, who had been playing his position like a panther fighting a foe in the jungle the Viligant scored their second touchdown and goal from touchdown, making a total of 14 points to the Cardinals, 13. While the Cardinals won the contest in a fair way, nevertheless, the Vigilants were given credit for a win. The president of the Cardinals afterward offered to play the Vigilants under any fair conditions, or play them for fun, but he was told to "go and get a reputation," which is an excuse very often hurled at a man meaning strictly business by those who are afraid to battle athletes whom he represents.

The baseball fans of Alexandria are promised many fine baseball games during the coming season. To avoid having visiting teams cancel games scheduled to be played in this city, the Cardinals manager will only do business with managers of teams who are willing to do business in a business way, by signing a contract form.

SEXTON WINS FORTUNE JUST BY BEING POLITE

New York, Jan. 3.—Joseph A. Boyle, sexton of St. Patrick's Cathedral, arrived home from Ireland New Year's Eve and was back at his duty early yesterday after two weeks' absence. He was smiling and told friends that he was $80,000 richer than when he left.

Mr. Boyle said that the fortune had been bequeathed to him by the late Dennis Sassidy, of Cork.

"Mr. Cassidy came to America some months ago and used to drop in to the Cathedral," said Mr. Boyle. "I tried to be nice to the old gentleman as I do to everybody. When he said 'good-bye' he remarked to me that he would remember me in his will.

"I thought nothing more of him until a few weeks ago when I received a notification from Cork, saying that he had made me an heir.

"Yes, I am going to keep right on being nice to everyone who comes in here."

Mr. Boyle said that he did not hear of De Valera while in Ireland. He left and returned by way of Canada.

14 Killed, 300 Hurt, 10,000 Homeless

Paris, Jan. 3.—Fourteen persons were killed, 300 injured and 10,000 rendered homeless by an earthquake which nearly obliterated the city of Elbassan, Albania, according to an undated dispatch received here yesterday from the American Red Cross at Tirana.

The only Americans in the city were two junior Red Cross nurses, Miss Norah Ruddy, of St. Louis, and Miss Winifred Warren, Chicago. Both were reported safe. They immediately took charge of relief work and the American Red Cross is sending supplies from the Adriatic coast. The organization also is furnishing tents, which are urgently needed because of the severe weather.

Episcopal Bishop Lauds Cardinal Gibbons' Work

Boston, Jan. 3.—A tribute to Cardinal Gibbons and warning to reformers to cope with present-day problems in a practical and humble fashion were contained in the New Year's message delivered by Bishop William Lawrence, Episcopal, at St. Paul's Cathedral yesterday.

"The idea that supreme Christians must be puritanical and supremely serious, antagonizing and stirring up things, is wrong," said Bishop Lawrence. "Christ won his way full of truth and grace. Let us work out our Christian problems in humble, impersonal acts."

Referring to the serious illness of Cardinal Gibbons, the bishop said "He represents a great Christian."

U. S. Will be Washed Into Ocean in 1,000,000 Years

Washington, Jan. 3.—The United States is slowly but surely being washed away. An average of 93 tons of soil, pebbles and loose rock is carried by the rivers into the ocean every year from every square mile of the country, according to the geological survey. The surface of the United States covers 3,088,500 square miles, and therefore, 293,407,500 tons are washed away yearly.

For the benefit of those who like to have something to worry about, it may be stated that the United States will all be washed into the ocean in about 1,000,000 years.

SEXTON HANGS SELF IN NEW YORK CHURCH

New York, Jan. 3.—Sherman D. Foote 62 years old, for the last 15 years sexton of the Methodist Episcopal Church of Ridgefield Park committed suicide in the church yesterday morning.

His body was found hanging from a door jamb. He had tied a narrow rope around his neck and stepped off a box on which he had stood while adjusting the rope.

Mystery surrounds the reason for Mr. Foote's suicide. He was known to be happy in his home life, living with his wife and daughter and the latter's husband who has been a politician for several years.

"Get busy and sell!" Said the Sales Manager

IT was at the recent monthly sales conference of the C—M—Company, that the words "buyers' market" were explained in their full meaning to the salesmen; and the necessity for immediate high calibre salesmanship emphasized.

"but remember," he continued

"you can never sell with 100% efficiency without ammunition, and that ammunition is PRINTED SALESMANSHIP—material that prepares the road for your visit and leaves a reminder of your work behind you—in other words, direct-by-mail advertising.

"If you are not supplied with this sort of ammunition, demand it!"

The famous French "Seventy-five" to be effective had as great a need for good shells as a salesman for carefully prepared printed advertising.

We are always ready to confer with you on the part that we can play in helping your sales force. A phone call or a request by mail will surely result in a profitable discussion of your own selling problems.

CARDINAL IS BETTER

Baltimore, Md., Jan. 3.—Cardinal Gibbons' remarkable rally from the dangerous sinking spells which last Friday alarmed his friends and attendants, has greatly surprised them and his physicians. Priests attribute improvement in his condition yesterday to the prayers of the prelate's frends and faithful throughout the country. In every Catholic Church in the diocese special prayers were offered at all the services yesterday for the recovery of the primate.

The Cardinal feels so much better that he announced yesterday morning his desire to return to his residence here and his religious attendants, who would have his wishes gratified, consulted the physicians.

Woman's Silver Spoon Bluffs Thief and Causes Capture

New York, Jan. 3.—Awakened at an early hour yesterday morning by the clicking of a key in the front door lock of her apartment, Miss Bertha Miller, architect, crept noiselessly from bed, drew a shining object from a buffet drawer and waited.

A man came through the door. He felt something press against his ribs and hear an order: "Behave now; keep your hands up and sit down in that chair."

He obeyed. Miss Miller called her sister, who opened a window and blew a police whistle.

Police came. Miss Miller sighed, sank in a chair and tossed a silver spoon on the table.

The man, who said he was Michael Amio, of Dansville, N. Y., was held in $2500 bail on a technical charge of burglary.

At breakfast time Miss Miller called at the police station, requesting permission to buy food for the prisoner. "I want him to be given the best of treatment," she said.

But Amio partook of jail fare.

"Suds," Greatest of Pickford Pictures

Mary Pickford, who has delighted so many millions as the glad girl in "Pollyanna" will be seen at the Richmond today in her latest United Artists Corporation production. "Suds," a role said to be entirely different from anything in which she has heretofore appeared.

The story was adapted from the stage play 'Op o' Me Thumb' in which Maude Adams appeared with such great success in Charles Frohman's Empire Theatre in New York City.

The cast was especially selected by Miss Pickford as being especially adapted to the roles in which they appear. The street scenes are laid in the slums of London in which locale story takes place and are exact reproductions of certain quarters of the big metropolis which were photographed by the star's English representatives and reproduced at her studio in perfect detail.

At the Ingomar Wm. S. Hart will be seen in a Western story filled with thrills and adventure. Chapter 1 of the amazing serial "The Son of Tarzan" will also be shown.
